

The following individuals were housed at the Choctaw County Jail awaiting circuit court:

- Trevis Smith, Burglary, Incarceration date 3/7/19
- Bernard Miller, Strong Arm Robbery, Incarceration date 7/30/19
- William Ford, Grand Larceny, Incarceration date 7/31/19

This is the jail census preceding the August 2019 term of Circuit Court. We did in fact respond to your public records request at the time, as we have you listed as one of the email recipients that day. A court order will not be necessary, since this email now resolves the issue at hand. Thank you for your interest. Have a great holiday!
